

University of Family Learning (UFL)

Course Catalog

2017-2018

The **University of Family Learning (UFL)** is an opportunity for adult family members of current and future CCSD students to access valuable educational, networking, and parent leadership information and opportunities that will increase both family and student success. Parents are invited to participate in a variety of courses and workshops that support the Superintendent's *Pledge of Achievement* goals. Every UFL course or workshop offers credit for hours of participation. Parents who meet the yearly goal are recognized at an end of year "Ceremony of Achievement".

Contact your **Family/School Liaison (FSL)** for more information and to schedule on your school campus.

Parents as Teaching Partners

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
327 	Data and DESMOS: The Perfect Ordered Pair <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Data fluency is a must-have skill set in today's digital workplace. Success starts with knowing how to find the meaning in every dataset. Explore math with DESMOS, a free digital app!	Families with students in grades 9-12	1 hour session
326 	Dare to Dive Into Data <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Dive into activities that provide opportunities to collect, organize, represent, and interpret data. Take a closer look at surprising results in real-world applications, by collecting and graphing data sets.	Families with students in grades 3-8	1 hour session
329	Drop. Stop. Don't Pop! Launching into Design and the Scientific Process <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Inspire future scientists and engineers! Families will work as an engineering team to build an amusement park ride with inexpensive materials. Using a grading rubric, parents will learn how to guide their children in creating a science and engineering board with success.	Families with students in grades 3-8 (Adults and children may attend class together)	1.5 hour session
514	Help Support Your Child to Focus on Learning	NV PEP	Do you find that homework and other tasks can be challenging for your child to complete? Learn about the difficulties children have with focusing, their different learning styles, and strategies that can help you help your child focus better. <i>(This training is geared toward families of youth with children with all disabilities. Nonetheless, the material is accessible to all parents and students interested in learning about supporting their children in literacy.)</i>	Families with students in grades K-12	1.5 - 2 hour session
318	Language Development at Home and at School <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	This session will provide parents and caregivers an understanding of how students are identified as an English Language Learner based on their language development levels. They will discover the difference between social and academic language. Parents will also learn ways to promote academic conversations in everyday interactions.	Families with students in grades PK-12	1 hour session
105M	Preparing Your Child for Standardized Testing in Middle School	CCSD FACES	Testing is required in all CCSD schools for two main purposes. One is to find out how well an individual student is learning in the classroom. The other purpose is to find out how well the school is meeting local and national benchmarks for student achievement. Assessment examples and ways parents can help relieve test anxiety, stress, and pressure will be presented.	Families with students in grades 6-8	1.5 hour session

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
310	Reading Hints for Early Teens & Twins <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	This session will provide parents and caregivers an understanding of literacy and strategies to build academic language at home. Parents will also learn ways to motivate their children to read and enjoy informational text and literature.	Families with students in grades 6-8	1 hour session
316 	S.T.E.M. Engineering Adventures (Elementary) Science, Technology, Engineering & Math <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	This course is designed to spark interest in Math, Science, and Engineering practices. Parents will experience engineering challenges such as building a water tower, a parking garage, and a house, using inexpensive materials. Parents will receive materials to engage their family in similar challenges at home.	Families with students in grades PK-8	1.5 hour session
302	Textbook Detective <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	A textbook is a powerful tool in increasing comprehension of material in content areas. This course offers strategies to help your child navigate a textbook/eTextbook effectively.	Families with students in grades 6-12	1 hour session

Navigating the School System

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
102 	"Can We Talk?" Effective Home-School Communication	CCSD FACES	It used to be that parents and teachers had set days and times for parent-teacher conferences, and communication outside the conference was rare. Thanks to email, school websites and social networking sites, parents and teachers can communicate with each other more easily and frequently. Despite that, some parents are still reluctant to contact their child's teacher. Don't be! This workshop will teach you how to create an authentic partnership with your child's school and teachers every year. Additionally, the session will present the steps to take if there is a breakdown in communication in the Clark County School District.	Families with students in grades PK-12	1 hour session
103MH	Attendance Matters: Helping Your Child Succeed in School (Secondary) <i>Recommended for ELL Cohort A Schools</i>	CCSD FACES	Good attendance isn't just about school policies; it is an important part of school success. There is a strong link between regular, consistent attendance and student achievement. Absenteeism is a red alert that students will drop out of high school. Come and learn what attendance includes, why it's important and how to develop family routines.	Families with children in grades 6-12	1 hour session
512	Considering College? Learn What's Available and How To Get It	Nevada PEP	Have a student who is thinking about going to college? This workshop will guide you where to go, what to ask, and how to apply to help you support your student as they get ready for the next chapter as a college student. Parents and students are encouraged to attend this workshop together.	Families with students in grades 9-12 (Adults and students are encouraged to attend class together)	1.5 hour session
321 	Get College Ready vs. College Eligible	CCSD EDE	Attendees will learn what it means to be "college-ready" and where high school students currently stand on that score. The presentation will provide information/resources regarding the sets of knowledge and skills needed for college access.	Families with students in grades 9-12 (Adults and students may attend class together)	1 – 1.5 hour session
536 	How To Pay for College	UNLV/CAEO TRIO EOC Program	Individuals will learn of the various types of Federal Student Aid, which provide students financial assistance in the forms of grants, loans, and work-study. We will discuss subsidized and unsubsidized loans and review the FAFSA (Free Application for Federal Student Aid).	Adult family members of CCSD students and High School Seniors	45 minute session

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
104 	Infinite Campus Parent Portal Workshop	CCSD FACES	The Clark County School District has created a web-based system to help you more effectively monitor the progress of your child. This system provides detailed, real-time information, including: demographics, schedules, assignments, assessment scores, calendar, grades, attendance, graduation progress, academic planner, to do lists, reports, and district and school notices.	Families with students in grades PK - 12	30-45 minute session
304 	Insight into Graduation Requirements	CCSD Guidance & Counseling	This course guides parents through the graduation requirements in CCSD. We will cover Infinite Campus, the CCSD transcript, Graduation Programs, diploma types, and additional testing and course requirements. All parents of high school students and those entering high school are welcome to attend and will leave with the knowledge that will assist them in helping their child graduate from high school.	Families with students in grades 6 - 12	1.5 hour session
326	Is Your Child Future Ready?: Exploring Magnet, Select, and Career & Technical Schools	CCSD Magnet Schools and Career & Technical Academies	Parents will learn about the many choice options in CCSD that include magnet programs, Select Schools, and Career and Technical Education opportunities. By participating in one of these programs, students can get a jump start on their future and be college and career ready.	Families with students in grades PK – 12 (Adults and students may attend class together)	30 minute – 1 hour session
113 	No More Paper! The Flipped & Blended Classrooms	CCSD FACES	While technology has been changing classrooms for years, educators say it is growing and altering the way students learn. Across the nation, elementary, middle and high school students are using everything from desktops, laptops, tablets, and smartphones to log on and link together with their classmates and teachers. This course will inform parents of some new ways educators teach without paper and textbooks. We encourage participants to bring a device such as a smart phone or tablet, if possible, for hands-on learning.	Families of students in grades 3-8	1.5 - 2 hour session
319 	Our Journey Together: Success for all Students <i>Recommended for ELL Cohort B Schools</i> <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	The Clark County School District Master Plan for English Language Learner Success was created to ensure all students achieve. Come to this session to learn how the ELL Master Plan was built to ensure that students graduate college and career ready.	Families of students classified as English Language Learners	1 hour session

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
534 	Planning for Change: School to Adult Transition	Nevada PEP	This class will provide information on the areas relating to transition (ages 14-22), including post-secondary. Both students and parents are invited to learn how to prepare for the IEP and take an active role at the IEP meeting.	Families with students in grades 6-12 receiving Special Education services (Adults and students are encouraged to attend class together)	1.5 hour session
307	Preparing your Child for College and a Future Career	CCSD Guidance & Counseling	This course provides an overview of career exploration, necessary components of success in high school, the NV labor market, and focuses on the key components and time lines required to successfully be admitted to a college including course selection, extracurricular participation, college entrance exams, college search and best fit, college applications, and funding college. There will be an emphasis on the link between college completion and career choice. Parents of all students (as well as high school students) are encouraged to attend and will leave with the ability to better prepare their children for college and a future career.	Families with students in grades 6-12	1.5 hour session
535 	Tips to Help Adult Learners Go Back to School	UNLV/CAEO TRIO EOC Program	Individuals will become familiar with timelines, deadlines, resources, going full-time or part-time, advantages & disadvantages of taking online & classroom classes, and learning styles.	Adult family members of CCSD students and High School Seniors	45 minute session
119	Transitions in Education: Thriving in Middle School	CCSD FACES	Middle school children may be experiencing many changes during these years both academically and personally. They may be starting more strenuous course work while also forming more social connections. Many children in this age group experience growth spurts as they move into adolescence. This workshop will provide ideas to help support your child's personal and academic development.	Families with students in grades 6-8	1 hour session
117	Transitions in Education: Preparing for High School	CCSD FACES	The transition to high school can be overwhelming. This workshop will provide you with information and resources to support your child's academic progress. Learn about the various high school options within the District and the multiple course offerings that are available to CCSD students.	Families with students in grades 8-9	1 hour session
508	Understanding Individualized Education Plans (IEP)	Nevada PEP	Parents are key members of their child's IEP team. This workshop includes an in-depth look at the Individualized Education Plan (IEP), including how to use evaluations to write measurable goals, as well as strategies to help parents be more active in their child's IEP meetings.	Families of students receiving Special Education services	1.5- 2 hour session

August 2017

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
330 	Unity in Diversity: A Newcomer Framework <i>Recommended for ELL Cohort A Schools</i> <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Gain an understanding of the supports available for English Language Learner students new to the United States and the Clark County school system. <i>Unity in Diversity: A Newcomer Framework</i> will assist you and your child in making a smooth transition into the school community. Equip yourself with the knowledge and expertise necessary to navigate these new experiences.	Families of students in the U.S. less than 3 years	1 hour session
331 	Unity in Diversity: A Long-Term English Language Learner Framework <i>Recommended for ELL Cohort A Schools</i> <i>Offered bilingually or available in English/Spanish separately, as requested</i>	CCSD ELL	Ensure student success in a world where change is constant and learning never stops. <i>Unity in Diversity: A Long-Term English Language Learner Framework</i> shares supports that help accelerate the achievement of academic language for long-term English language learners. Equip yourself with the expertise to help your child succeed in the increasingly complex school and work environments.	Families of students in grades 3-12 who are English Language Learners	1 hour session

Parent Leadership

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
322	Bicycle and Pedestrian Safety Clinic – Train the Trainer Workshop	CCSD Safe Routes to School	The Train the Trainer Workshop teaches participants how to organize and hold successful bike rodeos for students at their school or other location. Bike rodeos teach students fundamental bicycle handling skills in a structured format. Workshop participants learn how to plan and organize a tailored bike rodeo; select and set-up stations; enlist volunteers and sponsors; time management strategies and more!	Families with students in grades PreK-8; Parent Groups	1.5 hour session
301 	Anti-Bullying Tips for Parents & Families	CCSD Equity & Diversity Education	This workshop is designed to support community members with gaining knowledge on building a safe, secure, and respectful learning environment for all students. The school district strives to address bullying and cyberbullying so that there is no disruption of the learning environment and learning process.	Families with students in grades PreK-12	1.5 hour session
502	Bullies, Targets & Bystanders: Responses That Work	Nevada PEP	Join us as we discuss the dynamics of bullying, including what bullying is, types of bullying, who is bullied, and why children are bullied. Other topics include steps to intervene in bullying behavior, how to encourage students who witness bullying to take action, the role of the school, and laws and policies. Don't miss this valuable training to learn about the steps parents can take to stop bullying.	Adult family members of CCSD students	1.5– 2 hour session
323	Organizing a Walking School Bus or Bike Train at Your School	CCSD Safe Routes to School	Walking school buses combine safety and fun with the walk to school. A walking school bus is a group of children walking to school with one or more adults. This course will outline the benefits of starting a walking school bus (including improved attendance rates) and deciding if a walking school bus is the right fit. Examples of successful walking school buses in CCSD will be presented.	Families with students in grades PK-8	1 hour session
126 	Parent Organizations: The Choice is Yours <i>School Administration must be present at workshop</i>	CCSD FACES	It doesn't take much time to get a parent-teacher organization started. Find just one parent in your school/community to take the lead, and before you know it, there will be a group of dedicated parents doing what parent teacher organizations do best: providing resources and programs to all families, students, teachers, and school staff. In six steps you can create the organization that works best for your community. FACES has prepared sample materials and gathered resources to guide you as you and your team build the foundation of engaged and committed parent leaders.	Families with students in grades PK-12; Parent Groups	1 hour session
303	Police and Parents: Partners for Safe Schools	CCSD Police	The purpose of this workshop is to familiarize parents with the services offered by the Clark County School Police Department and how parents can partner with CCSD to create a safer learning environment for their children. Make sure to come with your questions about your specific school community!	Adult family members of CCSD students	30-45 minute session

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
506	Safe and Secure Online	NV Energy	This course is designed to provide participants with cybersecurity education and awareness training in order to secure their online lives. Participants will learn how to look for signs of technology based problem and threats, and how to protect themselves and their children from online predators. The instructor will use research-based information to assist family members to become responsible digital citizens.	Adult family members of CCSD students	2 hour session

Family Wellness & Development

<u>Course Number</u>	<u>Course Name</u>	<u>Presenter</u>	<u>Course Description</u>	<u>Target Audience</u>	<u>Course Length</u>
325	Active and Healthy Families: Special Events and Programs to Boost Physical Activity	CCSD Safe Routes to School	The Safe Routes to School (SRTS) program facilitates several events each school year to encourage students and parents to be physically active. In addition to highlighting these events and programs, the course will cover the relationship between physical activity and academic achievement; and how parents can take a leadership role in planning and organizing a special event at their child's school.	Families with students in grades PK-8	1 hour session
501	Budgeting 101	Financial Guidance Center	Is your money getting away from you? Where is it going? This class offers ideas and suggestions relative to planning and building for a brighter financial future through the basics of and how-to of creating a workable sustainable budget.	Adult family members of CCSD students	1 hour session
503	Credit for Today	Financial Guidance Center	Building and maintaining favorable credit will allow you to achieve a better lifestyle. Learn how to define and manage your credit as a consumer, what makes up a credit score, which items affect credit history, and the effects of collection accounts and debt. Topics will include credit reporting, credit histories, credit worthiness, communication with creditors, bankruptcy, advantages and disadvantages of credit, credit abuse and recognizing scams.	Adult family members of CCSD students	1 hour session
504	Deals on Wheels: How to Buy a Car You Can Afford to Own	Financial Guidance Center	What can you afford to buy? What are the most economical methods of financing, leasing, insuring and maintaining a car?	CCSD High School Students and Adult family members of CCSD students	1 hour session
201	English as a Second Language (ESL) for Adults <i>Ongoing at FACES Family Engagement Centers</i> <i>(A one-time promotional workshop is available at any location.)</i>	CCSD FACES and CSN (Course 201C)	This course introduces adults to basic structures and vocabulary of the English language through the skills of reading, writing, speaking, and listening. Students learn strategies in order to advance their reading, listening, and pronunciation skills. This workshop changes each session and varies at each FACES Family Engagement Center.	Adult family members of CCSD students	Varies by location
530 	Enough Abuse: Strategies for Your Family & Community	The Rape Crisis Center	Enough Abuse: Strategies for Your Family and Community provides an overview of adverse childhood experiences and toxic stress. It defines child sexual abuse, including touching and non-touching offenses, and discusses how they contribute to the trauma victims report. It discusses the many social messages children and youths receive from our culture, their communities and families, and how these contribute to the sexual abuse and exploitation of children. This presentation discusses how parents can utilize education, communication and advocacy in helping to prevent sexual abuse within their community.	Adult family members of CCSD students	1.5 hour session

August 2017
