

# Technology & Your Child

<b>University of Family Learning Workshops</b> (Classes are from 30 minutes – 2 hours long)	Grades PK– 5	Middle/ High School
<p><b>PBS KIDS Family Creative Learning (418)</b> <i>Presented by KLVX Vegas PBS</i></p> <p>PBS KIDS Family Creative Learning is a <u>series of six workshops</u> that engage families in a project-based creative process. The series uses creative play to introduce both kids and grownups to exciting digital and tangible tools that they can use to develop computation and engineering knowledge, practices, and perspectives as they imagine, plan, design, and create their own child-led projects. The series aims to support and foster collaboration, communication, problem-solving, and STEM skills among family members while empowering them to create and express themselves with media and technology.</p>	<b>Ages 3-8</b>	
<p><b>Infinite Campus Parent Portal Workshop (104)</b></p> <p>The Clark County School District utilizes a web-based system to help you more effectively monitor the progress of your child. This system provides detailed, real-time information, including: demographics, schedules, assignments, assessment scores, calendar, grades, attendance, graduation progress, academic planner, to do lists, reports, and district and school notices.</p>	<b>X</b>	<b>X</b>
<p><b>No More Paper! The Flipped and Blended Classrooms (113)</b></p> <p>While technology has been changing classrooms for years, educators say it is growing — and altering the way students learn. Across the nation, elementary, middle and high school students are using everything from desktops, laptops, tablets, and smartphones to log on and link together with their classmates and teachers. This course will alert parents to some of the new ways educators teach without paper and textbooks. We will even take a virtual field trip!</p>	<b>Grades 3-5</b>	<b>Grades 6-8</b>
<p><b>Most Wanted: Trending Apps Used by Teens for Cyberbullying (332)</b> <i>Presented by CCSD Equity &amp; Diversity</i></p> <p>In this training, parents will have the opportunity to understand the definition of cyberbullying. Parents will download and learn how to use the top applications/social media platforms kids are using for cyberbullying. Most importantly, parents will get an overview of how to promote upstander and digital leadership behaviors with their children.</p>	<b>Grades 4-5</b>	<b>X</b>
<p><b>Raising a Digital Leader (128)</b></p> <p>This workshop provides information on how to keep children safe while using the internet. Learn how to be a positive Digital Leader, set boundaries and rules, and how to avoid common internet scams. Families will also review CCSD's internet usage rules and regulations.</p>	<b>X</b>	<b>X</b>
<p><b>Safe and Secure Online (506)</b> <i>Presented by NV Energy</i></p> <p>This course is designed to provide participants with cybersecurity education and awareness training in order to secure their online lives. Participants will learn how to look for signs of technology based problem and threats, and how to protect themselves and their children from online predators. The instructor will use research-based information to assist family members to become responsible digital citizens.</p>	<b>X</b>	<b>X</b>
<p><b>Screen Time Smarts (421)</b> <i>Presented by UNCE</i></p> <p>Screen Time Smarts is a digital media workshop for parents of young children. In today's world of smartphones, tablets and on-demand services preschoolers are a technology and media saturated generation. This workshop will highlight recommended screen time guidelines, parental involvement, online safety and tips for choosing educational applications and e-books. It also includes a story time and hands-on iPad activity.</p>	<b>Ages 0-5</b>	
<p><b>The Dark Side of Social Media (533)</b> <i>Presented by Las Vegas Metro Police Dept.</i></p> <p>What every parent needs to know about the negative impact social media can have on their children and how they can protect them. <b>(After School ONLY/ Adults ONLY)</b></p>	<b>X</b>	<b>X</b>
