

Our Mission

Together as partners in supporting all children's academic, social, and emotional growth, we communicate, nurture trust, and advocate for all families and communities.

The Gold Standard

We support schools with the National Standards for Family-School Partnerships:

- Welcoming ALL Families
- Communicating Effectively
- Supporting Student Success
- Speaking Up for Every Child
- Sharing Power
- Collaborating with the Community

The Research

Family participation in education is **twice** as predictive of students' academic success as family socioeconomic status.
